

The Maryland Magic Cheerleaders!

Meet the Maryland Magic Cheer Team!

Our newly formed AAU Cheer Team, the **Maryland Magic**, debuted Sunday, April 27 at Lake Clifton High School. During half time of the Chick Webb vs Maryland 3D game, the team took the floor in their colorful uniforms and pom-poms to perform for the audience. Leaving the floor to an appreciative ovation, the team couldn't have been happier. Neither could **Lisa Fitts**, their coach.

"The Maryland Magic was formed in October, 2013 and has made appearances at local events, but this is our first AAU event", says Coach Fitts.

"Our team is an AAU team that supports the entire Maryland District not just basketball. The team will perform again during the Boys' Basketball State Championships at Baltimore City Community College in June and again at AAU's Junior Olympics in July.

For more information contact **Coach Lisa Fitts at 410-369-6577** or email aaucheermd@yahoo.com. Like them on FB-AAU cheer md district or IG-aaucheermd. The team practices at the Northwood Recreation Center.

"...A Gentle Giant and a Good Kid"

At five feet eleven inches tall and two hundred pounds, **Nykell Glover** is the biggest guy on his 6th grade team. He is also the hub in the wheel of his Harford County Dream Team. He scores, blocks shots, rebounds, and runs the floor.

It is evident that his coach, **Ryan DeVeaux**, has been working with him, but says DeVaux, "he must work on pivoting, his jump shot and on the ball defense. Nykell is very teachable and possess the skills to expand his game. AAU, however, is more of a challenge to him than rec. ball, but when Nykell learns a skill he immediately incorporates it into his game".

"My gentle giant is a good kid, everyone loves him and he shows good sportsmanship", says his mother Rita. Nykell vowed to one day play in the NBA, just like his idol LeBron James.
